The One-Cloth Polish

In our windows, a representative from the LYKNU POLISH factory will demonstrate the many qualities that this widely advertised Polish has. Step in and let her show you just what it can do to make your furniture look like new, with much less hard work than ordinarily.

Use one cloth with a little of this Polish, and save three-fourths of the time, four-fifths of the work, and one-half the cost of polishing with ordinary polish. It does not leave a film of oil to catch the least particle of dust, but leaves an absolutely dry, clean, lustrous finish—just like new.

Use it on the most delicate finish in mahogany, oak, walnut, chestnut and for hardwood floors, wainscoting, etc. Your automobile will look 100 per cent better, after an application of LYKNU POLISH.

We will also make a house-to-house canvass this week. Give the canvasser a chance to show its worth to you. Ask her for a little pamphlet describing the merits of LYKNU POLISH.

Mrs. Heath went to Deland to spend the winter with her son, Charles L. Heath. Mr. and Mrs. F. E. Northrop expected to be members of the party, as they had taken rooms in Winter Park and shipped goods to furnish them. Mrs. Northrop was taken in an ambulance to the Mary Fletcher hospital, Burlington, where she is under treatment by the specialist, Dr. D. C. Hawley.

The Italian Gaiety club held a poverty dance last evening in the Kenning hall, with about 40 couples in attendance. A business meeting of the club was held in connection with the merry-making party. A corps of new officers to serve another year were elected, these being: President, Henry Pasola; vice-president, Vincent Catto; secretary and treasurer, Miss Emma Corti. A committee was appointed by nomination to draw up a constitution and a set of by-laws, these being chosen: Garibaldi Barberi, Charles Catto and Frank Sacconi. After the business meeting the dancing was resumed. Carroll's orchestra playing until 1 o'clock and stopping only for refreshments at 11 o'clock, when ice cream, cake, marshmallow and cocoa were served. As a prize for the best costume, Mr. Sacconi of Montpelier was presented a "kewpie" doll. The committee in charge was composed of Misses Lena Barberi, Mary Restelli, Flora Maroni, Caroline Calagni and Waldo Cabrini, Vincent Catto and Hugo Ramella.

WASHINGTON

Macabees, attention! Special meeting of Harmon review, No. 1, Thursday evening at 7:30 o'clock. Initiation and to transact any other necessary business. Guards are requested to be at the hall at 6:45.

Last evening about 5 o'clock E. S. Pike telephoned to the police station for help to find his Chevrolet automobile which he had left in front of the People's National bank. He had been away from the car about five minutes, and on returning and finding his car had been removed, he called the police. An investigation was made and a half-hour had elapsed before he found his car standing in front of the Granite Savings bank. He then telephoned to the police, who were making investigations to the whereabouts of the car. Someone had taken it for a joke or for their own pleasure and amusement and had returned the car unharmed.

One of the best football games which has been staged this season in Barre will be played Saturday on the Goddard gridiron when the University of Vermont Medics line up against the People's National team. Both teams are in the finest form and well matched for a good battle. Coach Leasby spent considerable time yesterday afternoon drilling the boys on plays which will be used against the "Medics" next Saturday. Nearly all the boys who played in the game at Winsor last Saturday are expected to play for the "Medics" today. The team will go through heavy drill this morning, practicing on falling on the ball, catching punts and intercepting forward passes. A heavy scrimmage was held yesterday between the first team and a town team. Sullivan, McMahon and A. Thompson, playing for the town team, were able to make several touchdowns through their lines, the lines of their own team. Sullivan plowed through the line a number of times, running thirty and forty yards for three touchdowns.

POCKETS STUFFED WITH JEWELS
Youth Arrested in Providence Had Just Robbed Store.

Providence, R. I., Oct. 30.—Patrolman Patrick J. Murphy early today captured a young man who gave him names as James Terben, aged 17, of 1836 Calver street, Philadelphia. The police say his name is Taylor. When captured the man had about \$400 in watches and jewelry stuffed in his pockets, taken from the store of Berin & Co. on Weybosset street, and about as much more wrapped up ready to be taken away when he was surprised by the patrolman, who had been keeping in the shadows.

TO DARKEN HAIR
APPLY SAGE TEA
Look Young! Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the sage tea and sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of odoriferous extracts. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant—Adv.

INTENSE PAINS OF RHEUMATISM HAVE LEFT HER

Vermont Resident Regains Her Strength After Treatment with Dr. Williams' Pink Pills.

"A severe attack of gastric fever weakened me so that my blood was thin," says Mrs. Eugene Sullivan, of 114 Park street, Barre, Vt. "It seemed as though I would never regain my strength. My nerves were unstrung and I was upset at the least little noise."

I suffered from neuralgia in my head and had rheumatism in my legs and ankles and nothing that I tried gave me any relief. I ate very little and that little didn't give me any strength. "I read about Dr. Williams' Pink Pills and decided to give the remedy a trial. It was a fortunate decision for me, for I felt better in a few weeks. My appetite improved and gradually my strength returned. As my blood became richer the neuralgic pains disappeared and finally I was free from rheumatism. I owe my health to Dr. Williams' Pink Pills and can certainly recommend the remedy to others."

Dr. Williams' Pink Pills are sold by all druggists or direct from the Dr. Williams' Medicine Co., Schenectady, N. Y., 50 cents per box, six boxes \$2.50, postpaid. Write for the free booklet "Building Up the Blood" containing a special chapter on rheumatism—Adv.

3 Million Dollars —but— It bought MUSIC

No finer example of courage is known to the world of science than Thomas A. Edison's work in perfecting the phonograph. The skeptics rose in full chorus when he proposed a better phonograph,—an instrument "that could produce music as human as the artists who first gave it utterance."

Mr. Edison's experiments exhausted the entire field of research in sound reproduction. He built and rebuilt until his final, perfected model cost him Three Million Dollars.

And the result?

Ask someone who attended the Claire Lillian Peteler-Sibyl Sanderson Fagan recital. There was the public proof. Miss Peteler sang in comparison with the RE-CREATION of her voice by the New Edison. Miss Fagan played in comparison with the RE-CREATION of her art by the New Edison. And no one could distinguish the living art from its RE-CREATION.

The NEW EDISON

"The Phonograph with a Soul"

If you love music, you will agree with Wednesday's enthusiastic audience:—The New Edison represents Three Million Dollars well spent. The soul of song is cheap at any price. Yet it is now brought within reach of your pocketbook. The instrument used in Wednesday's conclusive test is a duplicate of Mr. Edison's Three Million Dollar Model. It sells for \$285 (in Canada, \$431).
